SPECIFICATION & FEATURES

DELTA4 Logo: Customisable logo panel for product branding & service details.

DELTA4 Cold Buttons: Manual dispensing buttons – modern in design, no electronics, and removed from the dispensing area to avoid hand to tap contamination.

DELTA4 Drain: Removable drip tray with optional drain facility.

DELTA4 Cups: Integrated dual cup dispenser, typical capacity 100 cups.

DELTA4 HygieneGuard: Antimicrobial HygieneGuard inhibits bacterial growth at the dispensing point.

DELTA4 SIP: Space for optional SIP automatic overnight sanitisation to provide "Hospital type Hygiene" and offers overnight Sleep Mode to save on electricity & lower the carbon footprint.
